Profile

Driven and adaptable professional with a diverse background in financial accounting and a newfound passion for web development. Equipped with a Bachelor of Commerce degree from the University of Pretoria, I honed my analytical and problem-solving skills during my tenure as staff accountant at Accenture. Now, embarking on a career transition, I am enrolled in a rigorous coding bootcamp at **CodeSpace** Academy, specializing in web development with a focus on JavaScript. Eager to leverage my solid foundation in finance with my emerging expertise in software development to contribute effectively to dynamic and innovative tech projects. Committed to continuous learning and growth, I approach challenges with enthusiasm and a collaborative mindset, striving to deliver impactful solutions in the ever-evolving landscape of technology.

Professional Work Experiences

Junior Web Developer (2024-)

- Currently undergoing intensive training in web development, specializing in JavaScript.
- Learning modern front-end frameworks like React.js and mastering back-end technologies such as Node.js.
- Actively engaged in building projects to strengthen practical skills in software development.

Staff Accountant (2016-2020)

- Managed financial reporting and analysis processes, ensuring accuracy and compliance with regulatory standards.
- Implemented cost-saving measures and optimized financial workflows, resulting in a 15% increase in operational efficiency.
- Collaborated with cross-functional

teams to streamline budgeting and forecasting procedures.

Personal Projects

Personal Portfolio Website

- Designed and developed a personal portfolio website to showcase projects and skills.
- Implemented responsive design principles for optimal viewing across devices.
- Technologies used: HTML5, CSS3, JavaScript.

Education

CodeSpace Academy (2024-)

CodeSpace Academy is a transformative learning platform for web development students. With hands-on training, expert instructors, and a supportive community, it equips students with practical skills and real-world experience to succeed in the ever-evolving field of web development. As a student, I'm immersed in a dynamic and innovative environment, preparing me for the challenges and opportunities of the digital age.

University of Pretoria (2011-2015)

The University of Pretoria is a hub of academic excellence and innovation, fostering intellectual curiosity and personal growth. With a heritage spanning over a century, it's a leading institution in South Africa, shaping future leaders. As a graduate of the BCom Financial Accounting program, I experienced its commitment to rigorous education and preparing students for successful careers.
